

Claiming Access to *European Journal of Medical Physics, Physica Medica*
<http://www.physicamedica.com>

1. Go to <http://www.physicamedica.com> and click on Register and Activate Your Subscription in the banner at the top right.
2. If you are a New User, enter your email (username) and click on Continue (next to Register a New Account). At the Register a New Account page, provide a password and all the requested profile information. You can opt in here to receive e-alerts of new issues. Select that you have read the terms of use and click Register. On the confirmation page, you can click the link near the bottom of the page, Claim access to full text articles. Skip to Step #4 below.
3. If you've already registered and have a journal username (email) and password, you can sign in.
4. On the Claim Your Online Access page, click the option, I receive my subscription through a society membership.
5. Now enter your AIFM membership number as provided by the AIFM. In the Last Name field, enter your last name and click Claim.
6. On the Online Access Claimed page, you can click *Physica Medica* link or Finish; both links will direct you to the journal home page.

NOTE: Upon returning to <http://www.physicamedica.com>, you will only need to log in with your username (email) and password to access the current journal full text.

Visual Reference below:

Step #1: Go to <http://www.physicamedica.com> and select Register and Activate Your Subscription.

The screenshot displays the homepage of the European Journal of Medical Physics. At the top right, a navigation bar contains 'RSS Feeds' and a dropdown menu with 'Login' and 'Register'. A yellow box highlights the 'Register' dropdown, which includes the options 'Register as a Guest' and 'Register and Activate Your Subscription'. Below the navigation bar is a search bar and a menu with 'Articles and Issues', 'For Authors', 'Journal Info', 'Subscribe', 'Society Info', and 'More Periodicals'. The main content area is divided into three columns. The left column features 'On the Cover' with a journal cover image, 'New Issue Alert', 'Free Trial Issue', and 'Publishing Information'. The middle column, titled 'Current Issue | January 2013, Vol. 29, No. 1', lists 'Issue Highlights' including a 'Review' on 'Xenon for NMR biosensing' and 'Original Papers' such as 'Angular smoothing and radial regularization of ODF fields' and 'Mechanical aspects of CO2 angiography'. The right column includes 'Access this journal on ScienceDirect', 'Print or Share This Page', 'International Day of Medical Physics' (7 November 2013), and the 'Galileo Galilei Award 2010' announcement.

Step #2: If you have already registered and have a username (email) and password, then log in to your account and proceed to Step #4 to claim your access. If you are a New User, enter your email (username) and click on Continue (next to Register a New Account).

The screenshot shows the 'Login or Register a New Account' page. At the top left is the journal logo. The main heading is 'Login or Register a New Account'. Below it is a green banner that says 'Start here to claim your online or mobile access...'. There are two main sections: 'Login to Your Account' and 'Register an Account'. The 'Login to Your Account' section has a radio button selected, a password field, and a 'Login' button. The 'Register an Account' section has a radio button selected, a 'Continue >' button, and a list of benefits. At the bottom, there is a copyright notice and a disclaimer.
